DEDICATION

The yearbook staff takes great pride in dedicating the "1963 Valley View to Mr. William A. Anderson, a man who we feel rightly deserves all credit due him.

We not only looked to him as an educator and advisor, but also as a close friend to each of us.

Mr. Anderson was our Supervising Principal for three of our four years in high school. During those years he knew us well. He knew where each was weak or strong, and was always ready to offer his help.

Through this dedication, Mr. Anderson, we say, "Thank you! Thank you for your untiring efforts to educate and guide us, for your patience with our problems, and for your sincere interest in each of us.
